Cummin' to Kaylee

Dear Virgin Territory,

I may be a majority of one but I think Kaylee in the March '15 issue (pgs. 54-59) is one of the hottest young stars in porn today! Every time I see her I get a raging hard-on! In fact, when I purchased this issue, I didn't even make it out of the parking lot! I had to stroke one off in my car. She is the whole package with long, sexy legs that lead up to a perfectly sweet ass, around to the most beautiful and tight pussy made for tonguing and deep fucking! Kaylee may be the flattest girl to appear in your magazine. Her smaller than small tits are one of her main attractions. That sexy shy smile says come here and suck on my nipples, then fuck me hard! I've been a lover of small-titted girls my whole life, long before people began to notice how sexy girls with small tits really are.

I've already had to buy a second copy of the March '15 magazine! Every time I flip through Kaylee's spread, I have to rub one off. She is so hot and sexy. The picture on pg. 58 with the smile, the pussy—I couldn't help myself; I had to let loose and

spray her face, more than once! I may have to buy a third copy! I can only imagine kissing and sucking her nipples until they harden in my mouth, licking my way up those long legs and diving face-first into her tight little pussy hole! Bringing her to orgasm, right on my tongue so I taste her sweet juice, leaving that young ass for the next course.

After fucking her asshole with the full length of my tongue and getting it sloppy wet, (Man, I'm getting distracted from what I'm writing) I'd slide my cock deep into her tight butthole, banging my balls against her pussy. I'd give her my full eight inches, until I couldn't hold out any longer, then finish by coating her face and tits with my hot man cream! Wow! If only. I've never seen Kaylee take a cock in her ass. Maybe I could be her first? Are there any movies

where she gets butt-fucked?—J.V.,
Palm Springs, California

Dear J.V.,

Kaylee did not do anal for us, but you will be seeing her hardcore pictorials soon. If you would like to watch her scenes, check out Flat & Fucked 8, available for order on page nine.

Classic Schoolgirl

Dear Virgin Territory,

I think Alice of the May '15 issue is going to be every 18eighteen reader's new favorite girl. No one can resist a cute redhead with curls. That schoolgirl outfit she's in is exactly what I like. When it comes to teen girls, there is no need to reinvent the wheel. The classic schoolgirl uniform will always be a winner. I think for many of us, the fantasies are just as strong for what the girl is wearing as they are for her naked. Good job

"For many of us, the fantasies are just as strong for what the girl is wearing as they are for her naked."

You can tell by the look on her face that Ava loves to ride cock.

Dear C.S.,

Alice may look sweet, but she definitely has some surprises for you. We ran her XXX layout last month in the Aug. '15 issue, and it was anal! If you missed it, order the back issue on page 11. You can also see Alice in Fuckin' Nerds 2 and Sex

Tutor, both for order on page nine.

Ava: #1 Mattress Actress

Dear Virgin Territory,

Thank you for finally running Ava's hardcore pictorial in the May '15 issue. I had been waiting quite some time to see it. We had seen her in solo, girl-girl with Heather and in a three-way also with Heather (which was super hot). But we had not been able to see how Ava handles a cock on her own. And I must say, I was very impressed. She looked like she had a great time, which is always refreshing. Nothing worse than a girl who is totally emotionless while getting fucked. The look of pleasure on Ava's face while her fuzzy box was filled with cock was a treat, and the penetration shots themselves were nice and clear in a variety of different positions. That sloppy creampie shot was a winner too. Good job on the unique position; I don't think I've seen a girl get filled while standing in a doggie-style position like that.

with keeping her frilly socks and her shoes on throughout the pictorial. I love how she stands there so awkwardly, almost shyly, in her photo on page 42. She looks like she is just starting to realize that she is a sexy girl who men desire and hasn't yet developed the confidence to own that. She's like a prey animal ready to be devoured. And how I would devour that sweet pussy and asshole of hers. Thank you for this tender teen treasure. Can't wait to see her in hardcore!—C.S., via email

Kasey isn't innocent. She knows what she's doing.

Seeing the goop all over her spread cunny and fingers made me blow the biggest, hardest load.

Ava is a true ingenue as far as mattress actresses go! I must admit, I am glad you did not run in her in any anal hardcore. I tend to find it distasteful with the young, tender girls, and I prefer it more for older, more voluptuous women.-R.R., Philadelphia, Pennsylvania

Dear R.R.,

Ava is quite lovely. Have you seen the video for that scene? You can check it out in the movie Creampie Cutie Pies 2, available for order on page nine.

What He'd Do to Kasey

Dear Virgin Territory,

Kasey has the kind of face that looks like it needs to be covered in cum. But first I would rip that little yellow bikini off her hot body and go exploring. The little bush she has is a nice touch. I like that it's only on the top and not around her lips and asshole. If a girl is going to have pubes, that is the ideal way to keep them. You get the best of both worlds: some nice fuzz on top and smooth skin where your tongue and dick go. I would suck her nips until they get bumpy and hard, just like how they are when she gets in the cold water. I would drag my dick over her lips until she took it deep into her throat and choked on it. Kasey looks like she can suck a mean cock, and I'd definitely want to test that out. I'd snake my tongue so far up her pussy that she would cream all over my face in minutes, then I'd slide my rod in nice and slow, letting her adjust to it, before fucking the shit out of her. Missionary, cowgirl, doggie, standing, upside down--we would do it all. Then she would get on her knees and take my load with a smile on her face. Yeah.-P.T., Oakland, California

Dear P.T.,

You will get to see Kasey do the things you described very soon, so stay tuned.

with her layout in the May '15 issue. I think you could have done way better, and a girl as hot as her deserves better. Her photo selection was boring and she didn't make eye contact in any of the photos. There was also not enough hot sex shots and not enough variety of positions. The guy was also too prominent in the photos, and the cum shot was weak. It would have been way better to see Foxy get a facial or a creampie, instead of a load on her tits. The whole pictorial just fell flat. I've seen other photos and videos of her where she goes pretty hot. Maybe you had some European photographer shoot the set. Consider someone else next time.-W.V., via email

Dear W.V.,

We're sorry you were disappointed with Foxy's hardcore pictorial. She has another XXX pictorial coming up and we will take extra care to make sure that one delivers.

Tight Blondes Are the Best

Dear Virgin Territory,

The story about Cassidy's tight pussy really turned me on. I love cute blondes

Cassidy's pussy is just like her body: tight and ready for cum!

like her, and would love the opportunity to delicately and carefully stretch her out. The first girl whose virginity I took was also a tight blonde like Cassidy. We were both still young and lived with our parents, so my car was to be the location

of the deflowering. Not the most comfortable setting, but for two teens it did fine. I made sure to eat her pussy for a long time to get her juices flowing. I remember my relentless tongue searching her folds, waiting for her to cum and coat my lips

with juice. I stuck one finger in her pussy, breaking her hymen. She was so relaxed I don't think she even noticed. After what seemed like an amazing eternity of oral, I entered her as gingerly as one can enter a virgin pussy (some force is required). She was so tight that I almost came right there. Fortunately I held out for a good few minutes. Since then I have taken the virginities of other girls, but that first time will always be the sweetest. Thanks, Cass!-P.Y., Minneapolis, Minnesota

Foxy's XXX layout was disappointing to one of our readers.

Dear P.Y.,

Thanks for the hot story! If you want to see just how tight Cassidy's pussy is, turn to page 44!

SLUT
FACE

Something about El screams, "I love cock!"

She has that certain *je ne sais quoi* that indicates a very sexual disposition. When she sees a man she likes, she's ready to fuck almost immediately. And could anyone resist those big blue eyes and that fit, slender body? No way!

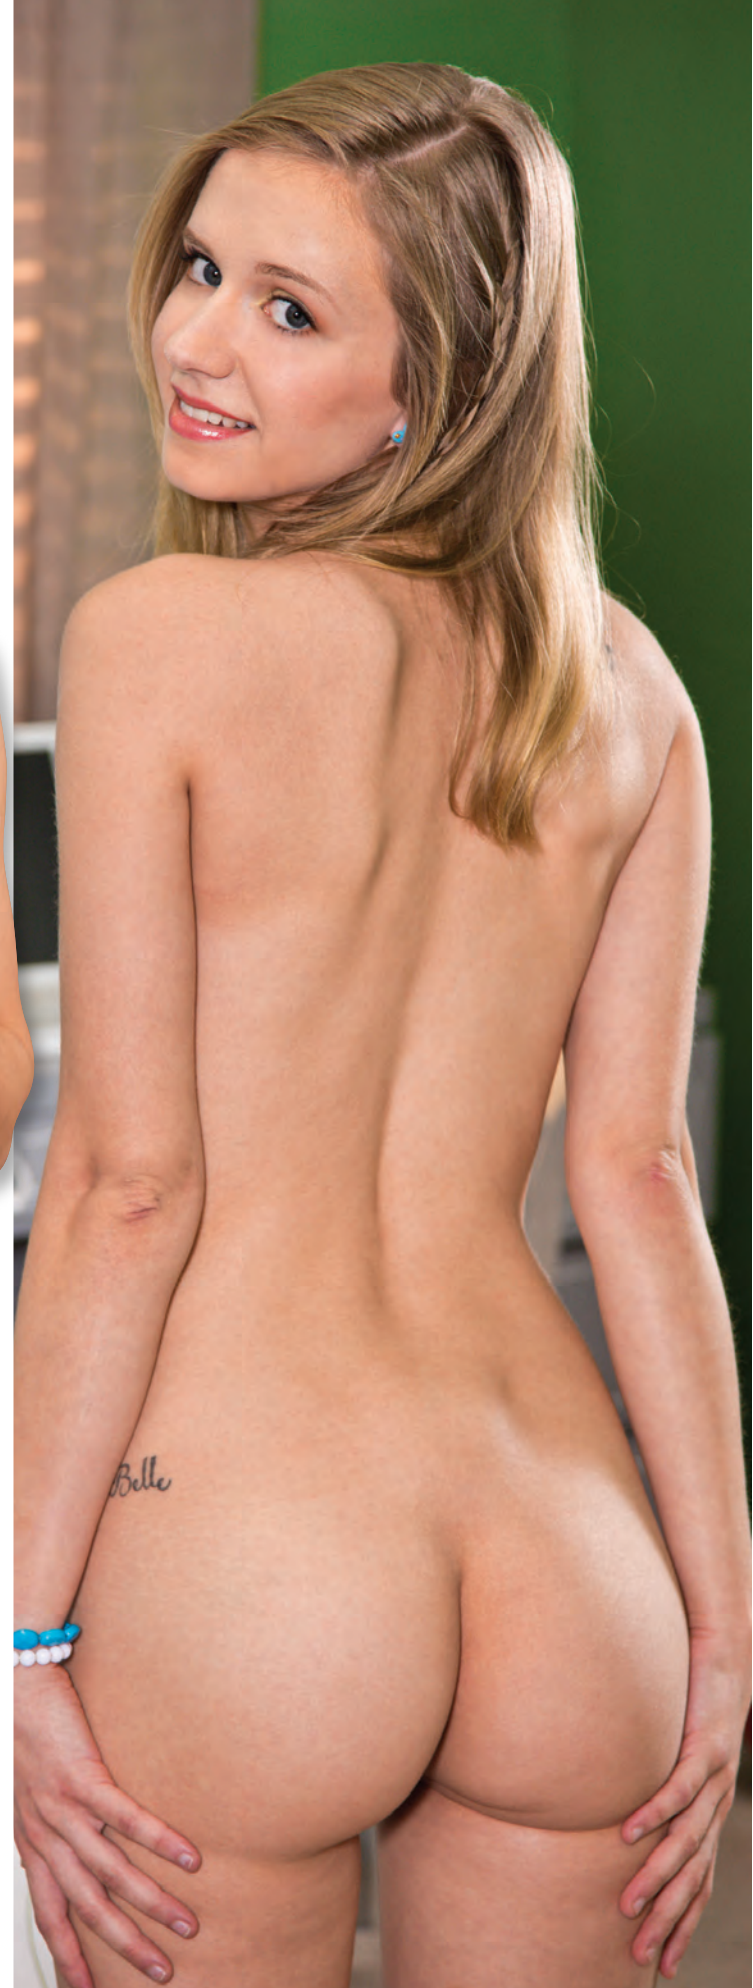

**Here you see
what we mean
by slut face!**

This sex kitten always gets what she wants. And today you're going to get what you want, too. Horny photos of El riding cock and getting stuffed from behind, plus this sexy babe sucking a load out of a stud's dick. Can you tell how horny she is?

Rachel
FUCKIN' FLAT

The flattest girls have the nicest asses!

There is barely an ounce of tit-meat on Rachel's chest, and we think it's 'cause it all went to her ass! "I know I don't have much in the boob department, but I've got a pretty good butt for a skinny white girl! I try to show it off by wearing tight shorts and skirts. Gotta work with what you've got."

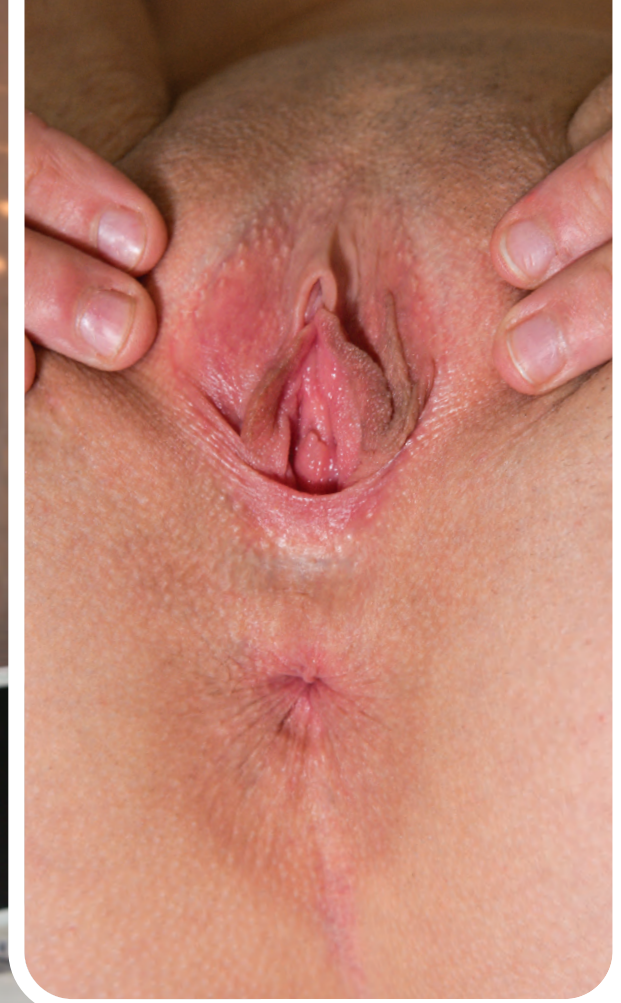

The guys who read our mag love asses, but they especially love flatties!

Rachel had never actually heard about guys who love flatties. "I thought all guys liked big tits," she said. Nope! She was almost in disbelief when we told her that tiny boobs were our readers' favorite feature on a girl. "That goes against everything I've ever heard, but I sure do find it a relief to know that there's someone out there who likes my chest the way it is. No one has ever complimented me on my small boobs before. I think I would cream my panties if someone actually did!"

What kind of compliments do you get from guys?

"They're usually about my ass and pussy. Guys like the way my bubble butt sticks out and the way it looks in tight clothes. They also like the way it looks in doggie-style, and I've been told I have a really cute butt hole too. I'm usually told my pussy tastes and feels really good. I barely have any pubic hair so when I shave my pussy stays nice and soft. But what I'm most proud of is when I get complimented on my blow jobs, because that's an actual skill I've had to learn how to do. I don't have one technique. It changes depending on the guy and what he likes and what he responds to. And I'm pretty good at figuring out what his cock combination is."

It's tough working your first summer job.

Tougher still when you work for your daddy's best friend—and want to fuck your boss. After getting caught doing nasty things to her pussy while on duty, Shauna has to sit down with her employer and learns some...

HARD LESSONS

BY JOE MONKS • ILLUSTRATION BY OTIS SWEAT

Shauna had it going on. Everything was rockin'; everything was going her way. Well...almost everything. But there was plenty of summer left, and she was hoping to scratch that last, very important thing off her checklist soon:

Getting fucked by her boss.

Corey Braun was older, sure. Early forties, she remembered her dad telling her. More than twice as old as she was, now that she'd turned eighteen. But that didn't matter. She didn't care. Corey Braun was fucking hot, and she would've wanted him even if he was 50. She wanted him all right. Wanted his dick. Wanted it anywhere he wanted to put it. Her pussy, her mouth, even her ass.

Your ass? she asked herself. Really, Shau? Bold claim, coming from a girl who'd never taken it in the butt before. Hadn't taken it many places, to be honest. Her mouth, twice, and that was it. Two different guys, two different parties. Two boys who didn't really want to date her, they'd just wanted to get sucked off. Two guys without much staying power, either, she remembered, disappointed.

Nope, she'd decided. That wasn't for her. She wanted a real man now, not some gropey kid from school who thought nipples were teething rings. Now Corey, on the other hand, fit the bill. She imagined his cock would fit her even better, if she could only get him to notice her.

He was outside in the pool, doing laps.

SWEAT

She was upstairs, cleaning the hallway outside his office. Dusting the étagère, the decorative furniture his ex-wife had left behind. Stupid bitch. How could any woman be that dumb? Giving up Corey Braun to follow some band called Hippie Motel? Shauna could see her getting trained by the band like a good little groupie, those fake tits bouncing around like water balloons.

No, that wasn't fair. If anything, Crystal had nice tits. Really nice, in fact. Full Cs, maybe even Ds. It made her wince, looking in the mirror as she polished the glass. All the while seeing her own small boobs, stuffed into the tightest top she owned.

If Corey's a tit man, you are shit out of luck, girl, came the little voice in her head.

"Shut up," Shauna bristled. But it wasn't the first time she'd wondered if that's what was keeping Corey from jumping her. Did he like them stacked, like Crystal? If that's what he wanted, he certainly wouldn't have a hard time finding it. Corey had bucks, he was single, and he looked a little like Bono from U2, just a little greyer. Shauna had never seen Bono wearing swim trunks, though, so couldn't begin to guess what U2's frontman was sporting in the package department. But she'd seen Corey padding around enough for one word to describe her fantasy-man: Hung.

She meandered over to the window, looking down on the pool. In ground, diving board, oval design. Gorgeous, just like him. He was deep into it now, probably a good twenty or so laps. His back muscles rippled, the sun beating down on perfectly tanned skin. Shauna could picture him doing tuxedo ads for older guys. The kind where a man his age was holding a drink and staring at the camera, the tux cut to perfection, like he was born to wear the thing.

Like he wanted you to jump into the picture and tear it off.

"If only," she sighed, the tingle in her snatch getting a firm hold of her.

She looked around. It wasn't like anyone was going to interrupt. She was alone. Corey was in the middle of his workout. She was so horny, he could have bent her over and entered her from behind without any fore-

play. He could've been buried balls-deep in her right now, if only he'd show a little interest. Shauna was certainly doing her part. She was wearing ass-cupping cotton school shorts—from last year. The tittie-squisher top. No socks. Right now, she was walking around barefoot, in the off chance Corey liked feet. She had to admit, she had pretty cute ones, if that was his thing. Small, clean. Just really, really cute. But so far, no love.

"Screw it," she said, and hauled

the mirror off the wall, putting it on the floor below the window. She yanked down her shorts, squirmed out of her sopping bloomers, and straddled the glass.

"Gonna have to clean *that* again," she noticed, droplets of pussy juice dripping onto her reflected cunt. Lips parted, she slow stroked her glistening clit, supporting herself on the windowsill, watching Corey turn at the far end, driving her finger into her box as deep as she could.

"Oh, Corey," she moaned. "Give it to me already, won't you? I'm here...right...fucking...here..."

Her first climax was a little one. Just enough to get her good and greasy. But her second, that one...that one was a thing of beauty. Her whole body rattled, and cum leaked out of her gap like a river. She pinched her clit, enough to make her suck in a breath. Outside, Corey was striding along the pool deck, heading for the board. He ran his hand back through his hair. Shauna slammed two fingers into her sloppy, hungry hole.

She loved watching him dive. The way he bounced on the board, the way he slammed down into it before

cutting into the water. She pictured him bouncing on his toes like that with her, his hard prick lifting her off her feet as he drove his length into her. His big cock filling her up, stretching her wide. Making her stutter while he turned her inside out.

Inside out. That got her to thinking. She glanced back, eyed the cleaning carrier.

Hmnnn...

The duster. She'd been using it all morning, a brand new one. But she hadn't realized what it'd felt like in

her hand. The smooth, round shaft. The big, knobby end. The textured, rubber grip...

"Oh, baby!" she gasped, tearing it off the carrier and spreading the base. Sure enough, the handle stood at an angle, pointing at her well-oiled slit. Outside, she heard the springboard echoing.

"Ungh!"

She sank down, taking the first few inches of the molded handle into her gushing love-hole. The head was fatter than she'd expected, but Shauna was so worked up that by just

parting her thighs, she managed to take another inch...then another.

She guessed that the handle was about seven inches long. Squatting now, she tilted back, raising her knees off the glass. Now, she couldn't even make out her lips, the heat from her canal fogging up the mirror. She rolled onto her toes, getting a rhythm going. A little down...little up...little down...little up... Soon, another inch had disappeared into her slot, the friction of the handle grip making her groan with every thrust.

"Unh-Co-ree-eee—"

Her fantasy world exploded around her. Corey, pushing her down on the couch in the living room, not bothering to strip her but instead, tearing off her shirt, planting his mouth on her taut nips, suckling them 'til she creamed her shorts. Corey, plowing into her missionary-style, pulling out at the last second so he could spray her in the face and muth with his hot load. Throwing her ankles back behind her ears, pumping her like a diesel-train, her twat sauce flowing over his balls like a nectarfall...

God! She needed another.

CRAFTY CUNNY

Welcome, Cadence. Tell us more about yourself.

"I'm just a nice, normal girl who wanted to try something naughty, so here I am! In my free time I like to sculpt, do crafting projects and paint. I'm a creative person and I totally get the hots for guys who are brooding artist types."

LIVES: New Port Richey, Florida

Have you ever hooked up with someone like that before?

"Yes. My art teacher at school was this 30-year-old hottie. I always tried to flirt with him, but nothing ever happened until after I graduated. I came back to visit and see him, and well, a simple hello turned into his cock in my mouth and pussy!"

Tell us more!

"It was after school so everyone was gone. I was wearing a skirt and flashed him my panties, and we got really close. Then we kissed and his hand was on my crotch, pulling my panties to the side so he could slide his cock in and make me moan."

madi
BRUNETTE
BOMBSHELL

Madi is one of our more voluptuous teens.

As we mentioned in Rachel's pictorial, our readers love flatties. However, we don't think anyone could deny Madi's curvy, supple allure. She's more busty than our average model, but a little variety never hurt. And really, she is fucking sexy. She has the kind of body you can admire for hours and the kind of tits you put in your face or around your cock. "My boobs get me a lot of attention, and I would be lying if I said I didn't like it. They're sensitive so I often grab and squeeze them."

**She was also
blessed with a
tiny pussy.**

Madi really won the genetic lottery with her amazing body. Not only is her face pretty, her boobs big and her body tight, but her pussy is also incredibly small and nice. Even getting a finger or small toy in there can be a task. "I always ask guys to fuck me slowly because going hard is just too much for my little pussy. When they go slow I can feel every inch."

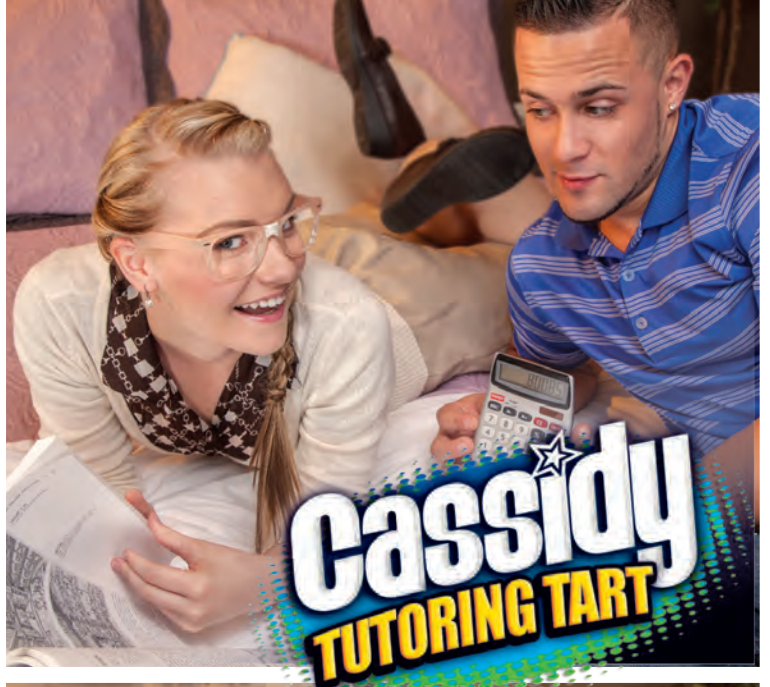

Madi's pussy is beautiful but fickle.

"Every guy that I have sex with for a long time has to go through training to eat me out. I'm very specific about how I like oral sex. But the good thing is that once they figure out how I like it, I'm a cumming machine. The same goes for sex. I guess maybe I'm not like other girls because I don't just want to be pounded hard the whole time. I like going slow and passionate. One of my favorite things is when the guy is on top of me and puts his dick in, leaves it there and stays still while I move my pussy up and down his shaft. I'll be so wet that you can hear the juicy noises, and it just feels really fuckin' good."

Cassidy is a tight, lil' nerd!

Cassidy dresses like a school marm, but under those frumpy clothes and big glasses she's actually a hot-bodied teen who's ripe for the fucking. In this scene from *Fuckin' Nerds 2* (order it on page nine) the bad-boy jock she's tutoring isn't paying attention, so she lets him plow her slit with his girthy pole. Now he's definitely standing at attention!

BRA SIZE: 34A **BORN:** July 2
LIVES: Panama City, Florida

**It's a tight fit in that
nerdy twat of hers.**

The stud's cock fills her pussy completely, rubbing up against her inner walls and stretching them to the max, glistening with her juices every time he pulls out. Not being used to such a hung guy, Cassidy moans and gasps.

Cassidy, in your last appearance you talked about how tight you are. Was this guy's big dick hard to take?

"It was a bit of a challenge, but I managed! The thing is, as an academic type my peers are mostly nerdy guys, and I'm not really into them. So for the longest time now I've had fantasies about fucking the dumb jocks that I tutor. They just seem like they know how to sling the dick, you know? They have hot bodies and this animal magnetism to them. Since I've had that fantasy for a while, I got really horny when this guy and I started fooling around. My pussy got super wet and it relaxed, which made it easier for me to take him."

Ariana
FLIRTY FANNY

HEIGHT: 5'2" **WEIGHT:** 113 lbs.
BRA SIZE: 34B **BORN:** Nov. 11
LIVES: Los Angeles, California

A woman with long brown hair is posing against a brick wall. She is wearing a bright pink strapless bikini bottom and a yellow beaded bracelet on her right wrist. She is leaning forward, with her right hand resting on her left buttock, and looking back over her shoulder at the camera. Her pubic area is visible between her buttocks.

Fanny has two meanings.

The word fanny means butt in the US and pussy in the UK. In both cases Ariana is still a flirty fanny because she'll seduce you with her cunny and her ass! We see the mouth-watering combo of both her fannies on display in this photo and feel the pull of her sexuality.

What's up, Ariana? Tell us some hot sex stuff!

"I've been boning this new guy and we've been having the hottest sex ever. It's one of those things where we're really in sync. Just the other day I had three orgasms in 10 minutes. By the last one there were words and sounds coming out of my mouth that I was not even aware of, and then I started giggling hysterically. It was because I had such an endorphin rush from having sex. So the laughing part was pretty much involuntary and came from somewhere deep and primitive inside of me."

That's kind of unusual.

"Yeah. I think the guy was a little confused until I explained to him that it was a good thing. It just feels like this big wave of intensity that starts from my pussy and goes up to my head. Afterwards I was even lightheaded for a few minutes. So I jusy lay there in the sheets soaked with my pussy juice, all sweaty and glowing with my hair a mess, and recovered. It was pretty hot."

HARD LESSONS

Continued from page 28

She put her hands on the floor. The duster handle was crammed practically all the way up her now, the grip slick with her goo.

"Uh-uh-uh-uh-uh-uh—"

She forced her pussy down, taking the whole of the handle and shaft. She threw her head back, whimpering in ecstasy. Then, it started. The hiccups. The little squeaks that signaled an impending orgasm of epic proportions. A full-blown convulsive cum!

The payoff was ear-splitting. She cried out with such ferocity it felt like she'd give herself a sore throat. Tears ran down her face. Her fingers were gripping the window sill so tight her knuckles were white. And Corey...

Corey was nowhere to be seen.

Gulp.

Eyes big as headlights, Shauna leapt back, the duster handle slipping out with a soft *squelch*. Where was he? Where had he gone? Shauna couldn't believe she'd missed him finishing his workout, but had she? After all, she'd been kinda preoccupied there those last ten minutes or so...

She fixed her shorts, the odor of sex thick in the air. She ran a rag across the mirror, struggling to force it back into place. What if Corey came upstairs to use his office? How much time did she have?

He didn't come upstairs. But she saw him looking at her a little funny when her dad came to pick her up. And then...it happened.

"Hey, Shauna?" he asked. "When you get in tomorrow, I want to talk to you. About the office hallway."

She froze. He didn't let on that anything was amiss, but she knew. Just one look at him, and she *knew*.

"Are you making some decorating changes?" asked her dad.

"Could be," Corey replied, his face blank. "Just think...I should get a woman's perspective on it, first."

Shauna's face reddened. He looked straight at her.

"Have a good night, guys," he waved, and before Shauna could look away, he went inside, closing the door behind him.

The drive home was miserable. Worse was the time she spent

alone after getting back, skipping dinner and going straight to her room, wondering what was going to happen. She was going to get fired, that much was certain. Somehow—though she couldn't figure out how—Corey knew what she'd been doing in the hallway today.

Had he seen her masturbating? Oh, god, if he had.... Maybe he'd finished his laps early, and just come inside. Heck, it was his house after all, he could go wherever he wanted whenever he wanted. He didn't have to let Shauna know. And, if he had just come inside and heard her writhing on the floor, straddling that cock-like feather duster....

She thought about what she could do. Quit made the most sense. Just call in the morning, tell him that she didn't have time for the cleaning gig any more, and thank him for hiring her. Maybe her dad could pick up her last check. Maybe she wouldn't even ask for it. She could find another job. Or maybe...maybe....

No, no way. Her dad wasn't just going to accept that. She was going to have to go in, meet with Corey and take the hit. She couldn't come up with a way around that, and the situation she had put herself in was driving her nuts. So nuts, in fact, she couldn't even finger herself to sleep. Not that she didn't have the energy—oh, that was no problem at all. And, not that she wasn't worked up enough. Again, no trouble there. Her engine was roaring and she was ready to go. But without being able to imagine her boss, she just couldn't make it happen down there, in those soupy folds of hers.

"Oh well," she huffed, accepting her fate with a sigh. "It'll all be over with soon enough."

She didn't skip out the back gate after being dropped off, so she supposed there was that. Instead, she went inside, just like usual, put her bag down in the laundry room, and headed up to the office.

He was sitting there, reviewing files. Pale grey tee shirt accentuating his shoulders. He looked up when she stepped in, and smiled. But Shauna saw through it. He wasn't smiling at her. He was smiling uncomfortably. Because he had bad news.

PUFFY BABE

HEIGHT: 5'9" **WEIGHT:** 125 lbs.
BRA SIZE: 32A **BORN:** Nov. 13
LIVES: Birmingham, England

Patty's puffy nips drive us crazy!

Honestly, we never get tired of waxing poetic about puffy nipples. And Patty is no exception. Her puffs are two juicy morsels atop perfect, small breasts. "My nipples are always puffy, even when they get hard. I didn't realize that mine were different or special until a boyfriend of mine commented on how I had 'puffies.' At first I was self-conscious because I thought they might be weird or something, but now I like that I have this unique feature."

Puffies look good from every angle.

It would be a glorious sight to look up at Patty as she was riding your cock or your face and see her puffies protruding like two soft caps on top of her perky titties. That is the essence we tried to capture in the photo to the left. "My boyfriend likes my nipples because they are very 3D, perfectly round and so soft. He really likes to see me in positions where he can look at my nips while he fucks me."

Your other features are very nice too. Especially your pussy.

"Thank you. I think so too, at least from what I've seen of my pussy so far. I'm looking forward to seeing these photos so I can see my pussy from a different angle. It will be like how guys see me before they go down on me or fuck me. When I was posing I made sure to spread really wide so you can really get a good glimpse of my bits and pieces. I also made sure to shave extra good so that my pussy and asshole looked as nice and clean as possible for my photoshoot."

maddy

NOT SO INNOCENT

Maddy, would you get mad if people called you a slut?

"No way. I think that's stupid, and my professor says that's just another way the patriarchy tries to suppress women's sexuality! If liking sex and new dick makes me a slut, then hell yes I'm one! And I don't think it's a bad thing. I'm not hurting anyone and I'm just having fun, so what's the big deal? When I first shot for your magazine I was pretty innocent, but I didn't want to be anymore. I wanted to be a slut. So, mission accomplished! You guys should be proud of yourselves. Getting fucked on-camera for you was part of what helped me to really open up sexually."

HEIGHT: 5'3" **WEIGHT:** 102 lbs.
BRA SIZE: 32A **BORN:** Nov. 21
LIVES: Miami, Florida

Are you masturbating more or less now?

"You would think that because I'm getting more dick I'd be masturbating less, but the opposite is true. I masturbate almost every day, sometimes multiple times a day. I can't believe that I'm only 18 and I'm already this horny all the fuckin' time!"

"Shau, c'mon in, have a seat."

How many times had she gone to bed dreaming about getting invited into this office? A hundred? She couldn't begin to count the number of nights she'd fallen asleep, fingers sticky, panties drying against her damp hair, praying for an opportunity to get pounded on the big, oak desk. Now, she sat, waiting for the axe to fall.

"Listen," he said, clearly unsure where to start. Shauna waited, shaking in her chair. Finally, he just came out with it.

"Shauna, you know, if you, uh, need a...well, you know...a private spot where you and your boyfriend can... I mean, It isn't that big a deal. I can let you guys have the place a while. You don't have to feel embarrassed about asking."

Shauna's head spun. Huh? Boyfriend? What the heck was he talking about? She didn't have a clue. So she asked.

"Boyfriend? What the heck are you talking about? I...I don't have a boyfriend at all."

He looked startled. Then he leaned back, more uncomfortable than ever.

"W-well, hey, no biggie. I guess, if it's a girl, that's perfectly fine, too. No, no, I mean it. That's really cool. I have no problem with that."

Shauna nearly fell out of her chair. He...he thought she was a lesbian?

"No!" she objected. "No, there's no girl, either. There's...there's nobody," she confessed, finally realizing how awful it sounded. There was no one.

"But," he went on. "What about what happened...yesterday?"

"What about yesterday?" she threw back, wanting to get to the bottom of things. "What?"

He pointed. Shauna turned around and looked. He was gesturing up at the ceiling outside his door. The smoke detector. The one with the big, black ring in the side. And suddenly, it all fell into place.

"A camera," she whispered. "You saw. You saw everything."

He nodded. Looked down at the floor. Shauna couldn't believe it. She felt...felt so dirty. Caught on camera fingerfucking herself, her legs spread,

A MOUTHFUL

Kasey, we heard you like to suck cock. Care to tell us more?

"I do love to suck cock, and I think I'm pretty good at it. I was just in a three-way with two guys, and I have to say that I held my own while I was blowing them. I had one cock in one hand while my mouth was on the other, and I would switch off between the two. Both guys seemed to really enjoy it, especially when I would swallow their dick all the way down to the base. When I was done sucking there was spit all over my chest."

How did you learn to suck cock like such a pro?

"I think I was just born with that skill. From the first time I put a cock in my mouth, it was like I just instinctually knew what to do. I also have an oral fixation, so that probably helps too."

HARD LESSONS

Continued from page 76

straddling the mirror. Down on all fours, cream pouring out of her slit. It was like she'd turned into one of those webcam girls, slutting it up while someone watched her every, filthy move.

"There's something I don't get," he finally said, breaking the silence. "If you weren't hot for some guy yesterday, then...what made you want to do that here? In the hallway?"

Shauna wasn't sure she was hearing right. He wasn't serious, was he? He couldn't be. But he looked serious. Seriously clueless.

"You...you really don't know?" she asked, stunned. Okay, she guessed. It was her turn to point. She did so, directing his attention to the window. He got up, walked over. Looked out and down at the pool. Nearly stumbled when he understood.

"I...never knew you could see the pool from here," he said, shaking his head. He still wasn't looking at her when he spoke next. Good thing, too. Shauna wasn't sure she'd be able to pull this one off, but she was going to give it a shot anyway.

"That means you..." he said, and trailed off.

"It means this," she told him, drawing his attention back to her. His jaw dropped when he saw her.

Shauna was standing behind her chair, top off, flaunting her small, bare tits. She'd kicked off her sneakers, twining her tootsies in the thick tufts of carpet. Her shorts were down around her ankles, leaving her in nothing but bloomers. Bloomers with a wet spot that was spreading at an alarming rate. She felt it. Could see him staring at it. Hoped he didn't think she was peeing herself. She was so nervous, if this went wrong, she just might...

Corey's reaction was instantaneous. Or maybe, Shauna suspected, it had begun the second he realized she'd been masturbating over him while looking out the window. Either way, there was no denying his response. His cargo shorts ballooned at the crotch, the outline of his erection stretching it's way up the fabric. It looked to Shauna like someone had stuffed his briefs with a bratwurst. She lifted her foot, gathered her shorts

band between her toes and kicked them aside.

"I'm wet," she said, busting out her best sexy voice. "But I sure haven't been swimming."

He was through the door and on her like a hungry dog on a piece of raw meat. Raw was right, too. Every nerve in Shauna's pussy was thrumming like a high-tension wire. When Corey grabbed her and peeled her panties away, it was like plugging into the power supply.

She fought with his belt, trying to wrest it shorts down, but his cock was stabbing into the material, making it difficult to free him. Shauna dropped to her knees and popped his button, his massive meat stick swinging out into her face. Pre-jism bubbled out of the swollen tip, a trickle of it dangling from his jockeys. Shauna wrapped her full teen lips around it, sucking up a mouthful.

Inches filled her mouth. Two, three, five. She kept digging, getting her hand under his nut sac, feeling his heavy balls fill her palm. Even his junk was impressive. She bet he could gag her with a single spurt.

She wanted him to try. Wrapping her small fist around his shaft, she went down on him with reckless abandon. Noisy. Messy. Drooling out of both sides of her mouth. Jacking him with her saliva, his salty cum slimy on her tongue.

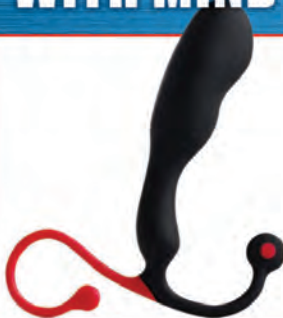

"I-I watched," he grunted, breathing heavy. "Watched that video over and over..."

That really got her going. The idea of Corey, spending the previous night watching her getting off? Not just watching, but watching multiple times? Her cunt muscles clenched. Had he? She wondered. Had he masturbated thinking about her?

No time to ask. She'd find out later, when she picked his brain for all his favorite moments. Something she planned on doing. Maybe while sitting in his lap. Possibly with her legs wrapped around him. Hopefully with his ramrod plugging up her snug canal and his balls wedged into her slippery ass crack.

No way she could deep-throat him. She wasn't even going to try. Instead, she pressed her mouth down around his tip, wrapping both hands around his base, and fast-jacking him, hoping to get him to empty into her mouth. At this angle, she believed she could

handle it. He'd erupt against the roof of her mouth, and she could tilt her head back to start swallowing. If things got dicey...well, no biggie. She could just pull him out and beat him off on her face, she supposed. She didn't mind the idea of taking a facial.

But Corey didn't seem interested in blowing his wad down her throat. Not that he wasn't enjoying things, that much she could tell just from the way his love muscle flexed against her jaw. He was ready for something

else, though, and Shauna trembled when he hauled her off her knees.

"Turn around," he said, taking charge. "Do it. Bend over for me."

He shredded her panties. They tore into ribbons as he ripped them apart. He had her over the end of his desk, feet spread, ass up. Kind of how he'd have seen her in the video, she thought, as something round and wet and sticky dragged across her right ass cheek.

Omigod...she had time to realize. This is it!

He put his hand on her back, flattening her tender boobs against the desktop. She was up on her toes now, Corey's manhood parting her thighs without him having to guide it. She grabbed hold of the lip, and held on for dear life.

In an instant, everything changed. Shauna shut her eyes, the world going black around her. Corey's prick split her pink curtains and the sheer girth of him pulled them inside her. Her hymen tore like her discarded undies. A velvety warmth filled her from deep inside.

Then, Corey began to hump her.

It was rough. The way Shauna had pictured it whenever she'd closed her eyes and sunk down into her pillows. Her aching nips rubbing against the blotter, file folders going everywhere. Her cheek hot against the wood, fingernails digging into the oak. Her teeth grinding, sweat stinging, running into her eyes. Her fuckhole being

ravaged, Corey's huge dick taking no mercy as he thrust into her, his hips pinning her in place, trapping her there while he had his way with her.

Everything...it was everything she'd wanted. The dirty boss-fuck she'd talked about with her best friend. The gutter-talking trash she was spewing, begging Corey to dick her, dick her and fill her to overflowing with his hot seed. That's what she wanted, to have him coat her in semen. To bathe in his hot jizz.

She was dribbling now, teeth chattering. She thought her nose was running, too. Corey was on the edge, his hands kneading her ass cheeks hard, his fingers pressed deep into her flesh. She had cum already, at least twice. The second one hit her so fast she hadn't even felt it creeping up. But now...now she could feel Corey's hard-on straining against her inner walls, and she could tell. It was time. He slowed down, pumped twice, slowed again. Then, gradually began to pull out.

Shauna didn't let him. She rested her full weight on the desk, his cock lifting her feet off the floor. She wrapped her legs around him, joining them together. He shuddered, trying to hold out. Just a few strokes longer.

"Shau—" he began, but he would get nowhere. She locked her ankles behind his back, and eventually, there was nothing more he could do. He ejaculated, filling her twat with a relentless river of spooage. It was a load that seemed to have no end.

Her dad was right on time, waiting outside when she walked out. Corey was walking behind, coffee cup in hand. He waved to his old friend as Shauna got into the car.

"Everything all good?" he asked. Shauna nodded.

"I'm thinking about redecorating that upstairs hallway," Corey explained, patting the car's roof. "Figured I ought to get a woman's input, you know?"

"I'll say," Shauna's dad replied, laughing. "I dorned with you, remember? You have no taste at all!"

The guys laughed. Corey gave Shauna a wink.

Maybe no taste in décor, she conceded. But his taste in women? That was certainly looking up.

Natalie

A LOAD ON HER BRACES

Natalie is your hot coed fantasy come true.

She's studious and serious when she's got her uniform on, but once that sensible khaki skirt comes off, her main focus is studying dick. In this scene (which you can watch on [18eigheten.com](https://www.18eigheten.com)), Natalie is trying to do research for a project. But once the TA has his lips locked around her nips and his hand in her panties it ain't happening any time soon! This metal-mouth cutie doesn't seem to be worried about that when her tongue is tracing the length of his shaft. "I can always study later. As far as I'm concerned, you have to strike while the iron is hot and the cock is hard. And it was rock hard!"

"I think it is pretty tight. I also like to practice Kegels when I'm horny. Sometimes I'll just lay there when I'm turned on and not touch myself. Then I start squeezing my pussy and feeling the emptiness where I wish there was a throbbing hard cock. I know it sounds kind of masochistic, and maybe it is, but I like to tease myself. At least it helps to keep me tight."

The cum on your braces was hot!

"I've mentioned before that I'm not crazy about my braces, but I do like it when guys cum on them. I'll open wide and tell the guy to coat my face and braces with his cum. It's so naughty, and we all know how naughty I like to be. Then I like to take my finger and rub the cum into my lips and braces. Mmmm, finger-lickin' good!"
